anti-asian violence

UNDERSTANDING THE CURRENT CRISIS IN AMERICA

Hate crimes toward Asian Americans increased by nearly 150% in 2020. Many of our **Asian American brothers and sisters feel threatened, unsafe, and unwelcome.**

As Christians, we are called to **assert the dignity and value of every human life**. Join us as we listen and learn from our panelists on April 27, 1-2:30pm.

Implications of The Gospel

Transform Minnesota

ONERACE

Minnesota is hurting. Christians need to be educated, committed to and rooted in biblical conversations about race, racism and justice. Transform Minnesota is committed to helping evangelical Christians **pursue racial justice and reconciliation** from a distinctly biblical perspective.

Over the next two years, we will offer classes, a Pastor and Ministry Leaders Cohort, and our **Sankofa Journey to Harmony** trip as part of our commitment to work toward healing.

Our first virtual Reconciliation Course, **Reconciliation 101** is now open for registration and will begin on Thursday, April 29th at 6 pm. **Josh Clemons** and **Dan Crain** (OneRace) will facilitate along with local Twin Cities small group leaders. Registration and details linked [here](#).

Recent Events

We so enjoyed having Dr. Ed Uszynski join us for our second Transform: Live event! Attendees came prepared with engaging and nuanced ministry questions. This was a valuable time together. Keep an eye on our [events page](#) for future Transform: Live conversations!

What a privilege it will be to have Shaylen Hardy wrap up our Gen Z + The Church webinar series this Wednesday. Shaylen will provide practical application points for ministry leaders serving Gen Z. More details and registration linked [here](#).

The One Fund

If you missed **The One Fund LIVE** event, highlights are linked in [this video](#) or the full version can be found on our [Facebook page](#). What a wonderful time to gather together and celebrate God's faithfulness and provision through **The One Fund**! We are nearly at our \$1,000,000 goal! The new impact report can be seen [here](#).

Dear pastors of today,

As we all know, the world is changing quickly. I'm 21, and currently serve in youth ministry at my church. I'm a junior in college, but I already feel out of touch with the next generation. Just like we all had to adapt ministry models with COVID-19, I think we need to be especially innovative when it comes to youth ministry. Apps like Tik Tok and Instagram promote "reels" (10-second videos), and kids' attention spans are quickly diminishing....

Sincerely,

A pastor of tomorrow
