

# Transform Minnesota Connections Newsletter

## Engaging in Biblical Justice

Earlier this month, **Transform Minnesota** hosted over 500 people for two events surrounding justice and biblical truth.

**Compassion & Conviction**, featured the President of the AND Campaign, Justin Giboney, and other incredible speakers as they discussed **division in political parties, the pro-life movement, and systemic justice from a Gospel-centered perspective.**

**The Church & Racial Justice** was led by Brooke Hempell, Justin Giboney, and Cor Chmielecki, and encouraged ministry leaders **to see the conversation of race as a gateway to discipleship.**

## A Woman's Perspective on Leadership

In honor of **Women's History Month**, we asked **Choua LeMay**, Director of Student Intercultural Programs at the University of Northwestern- St. Paul, spoke about the value her identity as a woman of color brings to leadership.

*"But, instead of asking myself where I belong, or how best to blend in, and which parts to conceal, I ask myself where I am needed. Right now, I am needed where my leadership asks new questions and challenges the status quo."*

## Developing Female Leaders in the Church

PARTNERS WITH THE PRESIDENT  
**DEVELOPING FEMALE LEADERS TOWARD  
THE FULFILLMENT OF OUR MISSION**

**EFCA President, Kevin Kompelien** met with Gloria Grell, Director of Prepared, in November of 2021 to discuss how **equipping women in leadership strengthens the church**. Prepared is a gospel-centered, two-year training program led by women in the EFCA for women.

Kevin encourages EFCA Churches to help develop and lift up women in ministry.

*"Include women in the conversation. With humility and grace, invite women to be part of a healthy dialogue in the church about where women can serve, how to cultivate their gifts and what the church can do to support them."*
