Arrive Ministries' Statement About Ukraine

Transform Minnesota's affiliate ministry, **Arrive Ministries**, recently made a statement about the events unfolding in Ukraine. As conflict rises, many are expecting that there will be a large number of refugees leaving Ukraine, looking for safety.

Arrive noted, "**Now is an urgent time to be praying for peace, justice, and God's protection over human life; for governmental authorities who have the power to save lives, bring humanitarian aid and protection; and for all those with the power to stop the war and bring about long-term peace.**"

Join us as we pray for those in Ukraine and their loved ones.

Pro-Black Pro-Life with Cherilyn Holloway and Gloria Purvis

On March 15, Cherilyn Holloway the founder of Pro-Black Pro-life will be speaking at the **Compassion & Conviction conference**. Here is a **recent conversation in America Magazine** as Holloway unflinchingly dives into the conversation surrounding race and abortion.

We look forward to hearing more from her on March 15.

Trauma Healing

Difficult experiences and losses can leave us with a wound of the heart. Much like a physical wound, **heart wounds need care and often the help of others in order to heal.** Healing

TRAUMA HEALING

takes time, but by God's grace we can help each other on this journey.

Through the partnership between the **Trauma Healing Institute (American Bible Society) and Transform MN**, more than 50 people in our community have participated in a trauma healing group since the beginning of the year with more starting all the time. These healing groups are being led by trained facilitators, most of whom participated in the training Transform MN hosted in October 2021. **The impact of this trauma healing ministry multiplies over time as people experience healing for themselves and some decide to help others find the same healing by becoming facilitators.**
