

Damascus Way: Innovation and Expansion

Executive Director, Tierre Webster, shares **an update** on the newest location of Damascus Way and offers ways for the Church to be involved. If you are **interested in helping** furnish or finish the Golden Valley location, please reference this article for needed items and requested skillsets.

Damascus Way is an affiliate ministry of Transform Minnesota that provides men reentry leadership and services using a Christ-centered approach. Covid-19 has only increased their resident numbers. Damascus Way's growing staff looks forward to pointing more men towards the Gospel and practical support to reverse the cycle of recidivism.

Introducing: Transform Topics

We are excited to announce a new platform: **Transform Topics**.

Particularly as this year progresses, our aim is to provide content that encourages our audience to continue engaging with complex issues from a biblical perspective.

The first Transform Topics series will be comprised of individual videos collectively answering how we can better ***pursue racial reconciliation and racial justice***.

Each video will feature a prominent Christian leader with topical wisdom, insight, and gospel-centered truth. **This series will address real questions we've heard from our audience in 10-15-minute video clips.** Our heart and prayer is that these videos will equip, convict, and connect our audience to a broader understanding of each topic by hearing from a trusted, non-partisan, Christian voice.

We plan to begin releasing content soon. Stay tuned!

Transform Minnesota is partnering with Justin Giboney from the AND Campaign for a webinar on civic engagement and how we as believers can lead the charge. Together we will consider what God's word says about various social issues our nation currently faces and how we can better advocate for Christ-like policies within a biblical framework.

Our Call to Racial Justice and Reconciliation

Transform Minnesota is committed to helping evangelical Christians **pursue racial justice and reconciliation from a distinctly biblical perspective**. As a racially diverse network, we are grieved by today's racial injustices. We lament racial disparities and their generational impact. We mourn the tragic consequences of our nation's 400-year history of racism.

In 2019 Transform Minnesota published a board-adopted resolution: **Pursuing Racial Justice and Reconciliation**. This declaration stems from more than a decade of longstanding relationships within our network committed to addressing systemic racism in our communities.
