Damascus Way Leads the Way

Damascus Way provides reentry leadership and services using a Christ-centered approach. In this letter, Damascus Way describes how they were able to **expand their services in 2022** and continue pursuing God's call to **love and embrace those they serve**.

"Steiger is an amazing ministry, reaching out to the growing group of young people who would never walk into a church. The Church should listen to their insights and take advantage of the trainings they offer, so we will be equipped to reach the next generation for Christ."
