Sanctity of Human Life Month

January is **Sanctity of Human Life Month**! Since 1984, churches across America have dedicated January to celebrating the sanctity of all human lives and promoting holistically pro-life values.

To kick off Sanctity of Human Life month, we asked our affiliate **New Life Family Services** to tell us a little more about their work and the importance of a **holistic pro-life ethic**.

We, especially those of us in the Church, **must continue to actively pursue justice**.

Healing Groups are safe, multi-session small groups led by certified facilitators. In these groups, people with heart wounds can **come together to find healing, engage with scripture, learn to feel safe, and know they are valued**. This small-group experience is also helpful for those who walk closely with others who must cope with trauma and losses, big and small.
