A New Director Has Arrived!

Arrive Ministries' staff and board are excited to announce the hiring of **Annie Perdue-Olson as their new Executive Director!**

Annie has intersected with Arrive Ministries and Transform as a consultant over the last several years and joined Arrive Ministries as interim managing director in January 2023. In that interim period Annie was drawn to the mission of Arrive Ministries as an expression of her own calling to develop leaders and strengthen organizations to make a difference in the world.

Read more about the leadership and ministry experience Annie brings to Arrive and the important work she's excited to engage.

"The board saw in Annie important skills and abilities that aligned with our key priorities: quickly embracing and articulating our vision, empowering and caring for staff, and obvious skills at organizational development needed by Arrive Ministries."

-Carl Nelson, President of Transform Minnesota

Remembering the Dream

We have had multiple opportunities to reflect on the work of Dr. Martin Luther King, Jr. this year thanks to the holiday honoring his legacy and several prominent anniversaries. One such occasion was the 60th anniversary of the March on Washington for Jobs and Freedom and King's "I Have a Dream" speech on August 28th.

This article from Christianity Today gives us three ways we can reflect on the message of Dr. King's speech and the dream he had for an America committed to the work of civil rights. We encourage you to rewatch or listen to the speech today and consider the ways you and the Church can engage Dr. King's dream.
