**The Anti-Greed Gospel: Why the Love of Money Is the Root of Racism and How the Church Can Create a New Way Forward**

New release - published this month!

This month's Exiles spotlight is *The Anti-Greed Gospel* by Dr. Malcolm Foley! Through the book, Dr. Foley reviews the history of racial violence in the United States and connects the killings of modern-day Black Americans to the history of lynching in America. He helps the contemporary church wrestle with the questions racial violence brings up: How can we become communities that show generosity and resist greed? What is the next step in the journey for racial justice?
